1911 ASSEMBLY GUIDE

PARTS LIST

- A. Pin
- B. Slide lock
- C. Slide
- D. Base
- E. Non-firing rounds
- F. Magazine
- G. Trophy Stand
- H. Spring

1

Insert pin (A) into spring (H). Push firmly into front bottom of slide. Hold spring down with finger to avoid popping out.

2

Combine the slide (C) with the base (D) by pushing them together.

3

Drop Slide lock (B) into hole. Push slide back until it aligns with the small indent, set into place. Slide should easily move back and forth.

4

Insert non-firing rounds (E) into magazine (F). Push magazine into bottom grip.

5

Display on stand (G). Finished result! Time to show off your GoatGun!
